The Scots Fiddle Festival Ltd

Fiddle 2007 is run by the Scots Fiddle Festival Ltd, whose aim is to promote and sustain traditional fiddle music so that it can hold its place in the culture of Scotland and the world. Our all-volunteer committee spends the whole year organising the festival and is helped, at the weekend itself, by a further army of enthusiastic volunteers. Huge thanks to all of them! Thanks also to the musicians who send us CDs of their work all through the year. We would fit everyone in if we could, so please don't feel it's any reflection on your work if we haven't been able to squeeze you into the programme this year.
