

FiddleOn magazine

FiddleOn is the UK's only magazine dedicated entirely to the fiddle. Each issue contains interviews and articles, news, views and general chitchat from the UK fiddle scene, dates and details of workshops and events, book and CD reviews, music quizzes and competitions. Also, each issue contains at least two pages of music notation.

FiddleOn is published in July, November and March and can be delivered direct to your door. To subscribe to **FiddleOn** just visit our website: www.fiddleon.co.uk.
