ESKMILLS

ESKMILLS is a superbly restored Victorian mill complex in a riverside location only minutes away from Edinburgh city centre.

These unique buildings surround a large central piazza containing water features, sculptures, an art gallery, and the stunning new restaurant The Glasshouse at Eskmills.

ESKMILLS is already providing high spec modern offices for over 40 businesses, and with the final phase, provides a further 20,000 sq.ft. of flexible office space.

A truly unique and inspirational setting for companies, staff and visitors.
